RCW 19.146.060 Accounting requirements.

(1) A mortgage broker shall use generally accepted accounting principles.

(2) Except as otherwise provided in subsection (3) of this section, a mortgage broker shall maintain accurate and current books and records which shall be readily available at the mortgage broker's usual business location until at least twenty-five months have elapsed following the effective period to which the books and records relate.

(3) Where a mortgage broker's usual business location is outside of the state of Washington, the mortgage broker shall, as determined by the director by rule, either maintain its books and records at a location in this state, or reimburse the director for his or her expenses, including but not limited to transportation, food, and lodging expenses, relating to any examination or investigation resulting under this chapter.

(4) "Books and records" includes but is not limited to:

(a) Copies of all advertisements placed by or at the request of the mortgage broker which mention rates or fees. In the case of radio or television advertisements, or advertisements placed on a telephonic information line or other electronic source of information including but not limited to a computer data base or electronic bulletin board, a mortgage broker shall keep copies of the precise script for the advertisement. All advertisement records shall include for each advertisement the date or dates of publication and name of each periodical, broadcast station, or telephone information line which published the advertisement or, in the case of a flyer or other material distributed by the mortgage broker, the dates, methods, and areas of distribution; and

(b) Copies of all documents, notes, computer records if not stored in printed form, correspondence or memoranda relating to a borrower from whom the mortgage broker has accepted a deposit or other funds, or accepted a residential mortgage loan application or with whom the mortgage broker has entered into an agreement to assist in obtaining a residential mortgage loan.

(4)(a) Each applicant for a mortgage broker's license shall file and maintain a surety bond, in an amount of not greater than sixty thousand dollars nor less than twenty thousand dollars which the director deems adequate to protect the public interest, executed by the applicant as obligor and by a surety company authorized to do a surety business in this state as surety. The bonding requirement as established by the director may take the form of a uniform bond amount for all licensees or the director may establish by rule a schedule establishing a range of bond amounts which shall vary according to the annual average number of loan originators or independent contractors of a licensee. The bond shall run to the state of Washington as obligee, and shall run first to the benefit of the borrower and then to the benefit of the state and any person or persons who suffer loss by reason of the applicant's or its loan originator's violation of any provision of this chapter or rules adopted under this chapter. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or rules adopted under this chapter. Borrowers shall be given priority over the state and other persons. The state and other third parties shall be allowed to receive distribution pursuant to a valid claim against the remainder of the bond. In the case of claims made by any person or entity who is not a borrower, no final judgment may be entered prior to one hundred eighty days following the date the claim is filed. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intent to cancel the bond. The cancellation shall be effective thirty days after the notice is received by the director. Whether or not the bond is renewed, continued, reinstated, reissued, or otherwise extended, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate or cumulative amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or any portion thereof, at two or more points in time be added together in determining the surety's liability. The bond shall not be liable for any penalties imposed on the licensee, including, but not limited to, any increased damages or attorneys' fees, or both, awarded under RCW 19.86.090. The applicant may obtain the bond directly from the surety or through a group bonding arrangement involving a professional organization comprised of mortgage brokers if the arrangement provides at least as much coverage as is required under this subsection.

The division intends to increase its fee and assessment rates each year for several bienniums. The division intends to initiate a rule making for this purpose each biennium. This rule provides for an automatic annual increase in the rate of fees and assessments each fiscal year during the 2001-03 biennium.

(1) On July 1, 2002, the fee and assessment rates under WAC 208-660-060, as increased in the prior fiscal year, will increase by a percentage rate equal to the fiscal growth factor for the then current fiscal year. As used in this section, "fiscal growth factor" has the same meaning as the term is defined in RCW 43.135.025.

(2) The director may round off a rate increase under subsection (1) of this section. However, no rate increase may exceed the applicable fiscal growth factor.

(3) By June 1 of each year, the director will make available a chart of the new rates that will take effect on the immediately following July 1.
